THE FOLLOWING ARE IMPORTANT POLICIES WITH WHICH BLUE RIDGE CAMP ASKS YOU TO ABIDE BY SO WE CAN FULFILL YOUR CHILD'S NEEDS THROUGHOUT THE CAMPING SEASON. WE ASK YOU TO PLEASE ADHERE TO OUR REGULATIONS AND POLICIES.

The camp does NOT HAVE an open door visitation policy, thus, no one will be permitted on camp grounds on any other day other than those provided by the camp. Visitors' Weekend will commence 10 a.m. July 15th through 1 p.m. July 17th, 2011. Parents of 8 and 6 week campers visit and pick up their children at this time. Parents of four week campers may also visit at this time or they may see the camp on the opening and closing days of the camp season. All visitors must leave by 1 PM, July 17th.

No child is permitted to leave camp at any time except on organized camp trips or to visit a physician.

Since the phone system in our area is set up for business only, there will be no phone calls allowed to campers. Parents may speak to a director, or the medical staff. We ask you to write or avail yourselves of our one way email. Further information will be sent pertaining to email instructions. We do not allow cell phones, two-way radios or laptop computers-they will be confiscated. Please provide your child with a phone card if you want them to call your cell phone on Phone Call Day. They will be calling from camp, once, each 4 week session.

The camp will evaluate whether parcels or items mailed to campers meet the high standards espoused by our camp parents, and those items not meeting these standards will be disposed of. No edible items will be distributed to campers, they will be given to charity. Your signature gives us permission to open and dispose of all parcels which are contrary to these rules. When sending packages remember those items MUST fit in their duffels when packing for their return home.

No personal fireworks or firearms will be allowed in camp. Possession of any controlled substance, alcohol or tobacco is grounds for dismissal without refund.

In case of emergency, Blue Ridge Camp is granted permission to secure any additional medical treatment or hospital service. I give permission for the attending physician/facility to release all pertinent information regarding my child's diagnosis and care to Blue Ridge Camp. The camp is not financially responsible for dental and/or orthodontic treatment. The camp must have a full medical profile of medications taken on a daily basis or as needed. This must be sent to the camp infirmary through CAMPMEDS only in advance and not put in the camper's possession. All medications are kept in the infirmary. Medication must not be sent up with campers.

The camp reserves the right to use any photographs taken at camp of your child or children for use in public relations.
