FREQUENTLY ASKED QUESTIONS

Why do I have to pay a registration fee?

This fee goes to pay for the photographer, server space & bandwidth, website security (required by law), customer support, and helps us cover the cost of paper, ink, and labor. This frees us to do what we do best – be with your kids! Without this fee we would not be able to offer this service.

How do I view pictures?

Follow the instructions above except, after registering, simply sign in and click on the Photo Gallery button. Photos are kept in folders found on the left side of the page below the words "Image Folders". Click on any folder to see the pictures within that folder. You can even purchase prints or other photo gifts (e.g., t-shirts, mugs) of your favorite pictures!

How do I send a Bunk Note (one-way email) to my camper?

Follow the instructions above except, after registering, simply sign in and click on the Bunk Notes button. Enter your camper's name, select the correct cabin, type your message, and hit the "Send" button.

Can other relatives use these services?

Certainly. Once you have set up your account, you will be able to invite other people to access these services.

Why do I have to pay to send Bunk Notes (one-way email)?

Each morning, the Bunk Notes system bundles and sorts the messages for us to print out and distribute to campers. It also protects us from computer viruses and allows us to easily manage these emails. Your payment helps us cover the cost of the system, paper, ink, and labor and, more importantly, frees us to do what we do best – be with your kids! Bunk Note credits cost approximately \$1 each and are purchased in packs of various sizes.

Can campers reply to my Bunk Notes?

Yes! See the attached "Bunk Reply" flyer for more details

What do I do if I lost my username and password?

You can get it online by going to www.Bunk1.com and clicking on the link "Lost Your Password?" (to the left of the page below the sign in button). You will receive an email with your username and password within a few minutes

Dear Camp Parents,

This summer, Blue Ridge Camp will continue work with **CampMeds, Inc**, a pre-packaged medication program to dispense and package your child's medication for camp. Camp families are **required** to register with **CampMeds** if your child takes medicine in pill form while at camp. The **CampMeds** pharmacy will dispense all of your child's prescription and non-prescription pills taken daily or as needed. This includes vitamins. All pills will be dispensed and individually packaged in sealed packets labeled with your child's name, medicine, dosage, date and time to be given. Medication not in pill form (liquids, inhalers, drops, etc), can be dispensed as well. Our system ensures that each camper receives their correct medicine at the correct time. All medicine will be shipped to camp prior to your child's arrival.

What you need to do:

1. Register on www.CampMeds.com (you may register prior to obtaining prescriptions)
2. Note the Camper ID # you will receive when registered. Print out receipt at the end registration.
3. Obtain original prescriptions written for 30 day increments. (Refer to FAQ #11)
4. Write Camper ID # on top corner of prescriptions. *Do not send us medication, only the written RX
5. Prescriptions are filled as written. It is your responsibility to confirm all prescriptions are written correctly; exactly how and when your child takes the medication (daily or PRN), that the correct med is prescribed and the dosing is correct. (Refer to FAQ #2 and #15).
6. If your child attends camp over 30 days, prescriptions must have a refill. Unused meds are sent home from camp
7. **For Controlled Substances:** If your child is staying longer than 30 days, law requires a new prescription for each 30 day supply. Two separate 30 day Rx's are required for Controlled Substances. No refills and only 30 days of meds should be written on the prescription. Send all prescriptions together
8. Non-prescription meds/vitamins; physician's authorization or written directions by parent required.
9. Include a copy of both sides of your insurance/prescription card.
10. Mail prescriptions, registration receipt and copy of insurance card directly to:
CampMeds PO Box 267037, Ft. Lauderdale, FL 33326-7037

Fees: There is a one-time registration fee for the entire summer which will be charged to your credit card immediately upon registration. **Fees are per camper, not prescription, and do not include the cost of medicine.

- **Fee for campers attending up to 30 days of camp is \$50 including shipping**
- **Fee for campers attending over 30 days of camp is \$60 including shipping**

Deadlines: Children attending camp **June 13**; above items must be received no later than **May 13**.

Children attending camp **June 27**; above items must be received no later than **May 27**.

Children attending camp **July 11**; above items must be received no later than **June 11**.

A \$25 late fee will be charged to your credit card if any of the items above are received after deadlines.

Please be aware that your credit card will be charged the shipping cost for any med change or if additional meds are ordered and sent to camp after your initial medication and/or refills have been sent.

Email Notification: You are notified by email when **CampMeds** receives your online registration, when your prescriptions are received and when meds are sent to camp. Contact us if you do not receive a confirming email within one week of sending prescriptions.

Insurance/Prescription Meds: The **CampMed's** licensed pharmacy partner accepts most insurance plans. They will verify your insurance upon registration and submit to your plan once camp begins. You are responsible for all co-payments, deductibles and meds not covered by your insurance. **All of your med charges will appear on your credit card statement from the Pharmacy usually after your child returns home. You are responsible to notify **CampMeds** of any changes to your credit card and/or insurance plan. If the pharmacy is not a provider for your plan, we will notify you to arrange alternative arrangements.

OTC Items and Meds Not Covered by Insurance: Will be charged to your credit card by the Pharmacy.

Please refer to our website www.CampMeds.com for registration and important details. For questions contact **CampMeds** at 954-577-0025 or info@CampMeds.com. **Please review the following FAQ's.**

Dear Parents,

In our on-going commitment to meet the needs of our campers who require medication while at camp as well comply with strict state regulations regarding medication dispensing for summer camps, we will continue to work with **CampMeds Inc.**, a pre-packaging medication program founded by a former camp nurse. *CampMeds* has been servicing the camping industry for the past 7 years providing the convenient service of dispensing, packaging and shipping medications directly to summer camps.

Our policy and procedure for dispensing and administering medicine REQUIRES camp families to have all of your child's medicine in PILL FORM to be dispensed by *CampMeds* and sent to camp prior to their arrival.

***CampMeds* will fill:**

- **Prescription medication in pill form (daily or "as needed")**
- **Non prescription medication in pill form such as allergy medication and vitamins (daily or "as needed")**

Please remember that the *CampMeds* pharmacy can dispense all meds, (excluding Accutane, growth hormone, insulin and birth control pills) but you are only required to have them fill the above listed items.

*Our camp stocks most over the counter items such as Tylenol, Advil, Benadryl, etc. so there is no need to have *CampMeds* dispense typical OTC items.

Medications that are in **pill form** are individually packaged and sealed according to date and time of administration. Each individual packet may contain one or more pills prescribed to be given at the same time. This method of dispensing medicine during summer camp minimizes potential med errors, ensuring that every camper gets the correct medication and dosage, at the right time, on the right day. It also allows your children to return to their camp activities sooner, because administering meds that are pre-packaged and organized reduces their time spent in line waiting for meds! Our nurses now have more time to devote to your child's other healthcare needs.

Medication at camp is dispensed at mealtimes and bedtime. Only if medically necessary and a specific time is written on the prescription, will the meds be dispensed at a different time of day. You are responsible to check that your child's prescriptions are written exactly how and when the medication is to be given. For example, if the med is to be taken only as needed, the prescription must be written that way; if the med is to be the "brand drug", the prescription must specify "brand only" or the generic will be dispensed.

We want to be clear that we do expect **100% participation** from families with campers who will need medication in pill form while at camp. The only exception to this procedure is if *CampMeds* notifies us that they are unable to accept your insurance. If your camper does not take medication in pill form, you do not need to register with *CampMeds*.

If your camper will be taking medication at camp this summer, please read the following detailed letter, important FAQ's and visit their website, www.campmeds.com for additional information and to register your camper.

We are confident that this program continues to help us achieve our primary goal; *the health, well-being and safety of your child.*

***CampMeds* FREQUENTLY ASKED QUESTIONS**

1. Exactly which medications am I required to have *CampMeds* dispense?

- All pills and vitamins *except* the following: dissolvable pills, Accutane, Lactaid (taken only as needed), birth control pills
- CampMeds does NOT dispense insulin or growth hormone injection
- Most camps stock drugs such as Tylenol, Advil, Benadryl, etc; you do not need to have *CampMeds* dispense those typical items if they are only taken “as needed”.
- If your camper takes herbal/specialty vitamins, please contact *CampMeds* to determine if they can be packaged.

2. How can I be sure the meds will be packaged exactly the way my child takes them?

It is your responsibility to check that the written prescription is written correctly. If the med is to be taken daily, the prescription should be written for every day with the time of day, such as morning, with lunch, etc. If the med is to be given at bedtime, the prescription must specify. **If a prescription is written as “once a day” with no specific time, the medication will be packaged for the morning.** If the med is taken only “as needed” (PRN), the prescription must be written to specify only “as needed”.

3. Do I need to register my child again if I registered last summer?

Yes, you need to register for this summer and your child will be assigned a new Camper ID.

4. Will the pharmacy accept my insurance?

Our pharmacy partner is contracted with most insurance plans however, until you submit your online registration form with complete insurance information, your plan cannot be verified for billing. We will contact you if the pharmacy is not on your plan. You will not be required to participate in the *CampMeds* program if your insurance will not pay for medicine dispensed by our pharmacy. It is *CampMeds* responsibility to verify the pharmacy is an in network provider for your insurance plan. You will be responsible for co-payments, deductibles and any over-the-counter requests not covered by insurance. If you have an insurance change, please email the updated insurance to CampMeds in order to avoid the credit card charges for the full cost of medication. Any credit card charges from the pharmacy will appear as a separate charge *after* your child returns from camp.

5. Will my co pay be the same from the *CampMeds* pharmacy?

Our pharmacy partner will confirm that they are a participating provider for your insurance plan once you have registered at www.campmeds.com. This will ensure that your co pays will be the same as you pay at your local pharmacy. You will be notified if we are NOT a provider for your plan. Since we will NOT submit to your insurance until your child arrives at camp (a courtesy that enables refills prior to camp if needed), there is no way for the pharmacy to determine in advance if the medication your child will be prescribed and/or the dose that is prescribed will be covered by your insurance, or if a prior authorization from the physician will be required for a particular medication prescribed. *It is your responsibility to contact your insurance to confirm all medication and dosages will be covered.* Please keep in mind that insurance plans change frequently, so it is a good idea to contact your prescription processor prior to mailing your child’s prescriptions to *CampMeds*.

6. What if I use a mail order pharmacy or have a 90-day prescription plan?

Usually our pharmacy can only dispense a 30-day supply of meds. You will be responsible for a 30 day co pay determined by your insurance plan. Please register at www.campmeds.com and follow instructions below:

- After registering, fax *CampMeds* a copy of both sides of your insurance card that covers the meds and note that you use a Mail Order pharmacy for your child’s medication. You must also reference the Camper ID you will receive at the end of registering.
- List the medications and dosages to be dispensed
- We will confirm that our pharmacy is a participating provider for your insurance plan and that we can dispense a 30 day supply of meds.
- If medication is needed prior to camp, count the number of days your camper will need before camp and request only that number of days be filled for home use.
- *CampMeds* will contact you to discuss details. If we are unable to dispense meds for your child, your registration fee will be refunded.

- 7. What if my child's medication needs to be refilled while at camp?**
Medication prescribed for "daily" use is automatically refilled by our pharmacy and sent to camp for campers attending over 30 days. Prescriptions must be written with refills. **PLEASE NOTE:** Refills will be billed 30 days after the initial billing. Do NOT refill your child's medicine while at camp. This will cause your insurance to reject our pharmacy submission of your child's medication claim, and you will be charged full price for meds dispensed. Once your camper finishes any unused meds brought home from camp, along with any meds left at home prior to camp, you may then refill your child's medication. You will fall right back in to your refill cycle!
- 8. How are "as needed" medicines packaged?**
CampMeds will pre-package "as needed" (PRN) medicine separately from daily meds. Your child will go to the nurse for these medications when he/she needs them and they will be refilled only if necessary. The camp nurse will contact *CampMeds* if a PRN med needs to be refilled. Unused meds will be sent home at the end of camp.
- 9. What if I need to fill a prescription for my child before camp starts?**
You may refill your child's medication anytime before camp, if necessary. In order to help ensure that medications for camp will be covered by your plan, please request only the amount of medication needed at home before camp begins. The pharmacy will not bill your insurance until camp begins.
- 10. I can only refill my child's medicine when he is down to his last pill. How can the pharmacy send the meds to camp before a refill is due?**
The pharmacy will dispense the meds and send to camp prior to your child's arrival, but will not submit to your insurance until the day your child begins camp. If need be, the pharmacy will request a vacation override from your insurance company. On occasion, the pharmacy will to resubmit the claim form on the appropriate date for reimbursement. Med charges will not appear on your credit card until your child returns from camp.
- 11. Why don't you dispense meds for the exact days of camp, rather than in 30 day increments?**
Most insurance plans only reimburse for 30 days of meds per month, and you the insured, usually pay a co pay for each 30 day supply. If the Rx is written for less than a 30 day supply, your co pay will be the same cost as a 30 day supply. If the Rx is written for a 40 day supply because your child attends camp for 40 days, we will dispense a 30 day supply. The refill will be dispensed for the remaining 10 days which will cost the same as a 30 day supply.
- 12. Will non-prescriptions cost the same as I pay at my pharmacy?**
The pharmacy is competitive in pricing however, there is no way to know if you will pay a few dollars more, or a few dollars less.
- 13. Can a half of a pill be packaged? Yes**
- 14. My child takes a different dose of the same medicine every other day. Can it be packaged that way? Yes**
- 15. Will the pharmacy dispense generic or brand?**
Unless the prescription specifies "Brand Only", "Brand Medically Necessary" or "Do Not Substitute", the pharmacy will dispense generic. It is your responsibility to confirm the prescription is written correctly.
- 16. What if my child takes a "Controlled Substance" such as Concerta or Adderall?**
An original prescription is required. For campers staying more than 30 days, an additional prescription for a 30 day supply of meds is required. It is against the law for a "controlled substance" to be refilled. **Please send a separate prescription for every 30 day supply.** All prescriptions for the child's camp stay should be received by *CampMeds* at the same time. Please visit our website at www.campmeds.com for a detailed letter you may give your physician on controlled substance prescriptions to be dispensed by the *CampMeds* pharmacy. You may explain that we can accept two separate 30 day prescriptions written for the same date, but they will only be dispensed one month at a time. The physician may write both prescriptions each with a different date.
- 17. What if my child is placed on a prescription or non-prescription daily medication after the deadline date to register and submit prescriptions has passed?**
CampMeds will always accommodate all campers at anytime. You may be asked to send your child with a small supply of meds as back up and the \$25 late fee will apply.

18. When will the pharmacy charge me for my camper's medications? Since our pharmacy partner will not submit to your insurance until camp begins, you may not receive a charge on your credit card until AFTER your camper returns home. Please notify us if your credit card information changes during the summer.
